

December 1, 2006

Dear Referring Physician,

As you may be aware, the Centers for Medicare and Medicaid Services (CMS) have set in place a new physician identifier for use in standard electronic health care transactions. This National Provider Identifier (NPI) will be the single provider identifier, replacing the UPIN currently being used.

To be able to fulfill orders for services for your patients, CCMC-Faculty Practice Plan, Inc. will require your NPI number to support our billing function.

Please provide your name and NPI below and return to:

Michael Black
CCMC-FPP, Inc.
Suite 5B
282 Washington Street
Hartford,CT 06106

If you prefer, this information may also be registered securely on our website at www.ccmckids.org/FPP or faxed to (860) 545-9229, attn: Michael Black. You may also E-mailed to mblack@ccmckids.org

Thank you for your cooperation,

Michael A. Black
Medical Records Manager/Privacy Officer

<p>Provider's Name: _____</p> <p>NPI #: _____</p> <p>UPIN#: _____</p>
