

Connecticut Children's Medical Center – Waterbury  
*Presents*

*Current Issues In*

# **PEDIATRIC HEALTHCARE**

Saturday October 2, 2010  
7:15 am - Noon

*56 Franklin Street, Waterbury, CT 06706*

## Goal

To identify current health care issues affecting children in 2010 and the evidenced based approach.

## Conference Objectives

1. Understand the causes of childhood obesity and recommendations regarding healthy weight management of children.
2. Examine current Asthma plans and the state of Easy Breathing in Connecticut today.
3. Discuss strategies to identify and support adolescents who may be at risk.
4. Verbalize resources to assist the provider in identifying, supporting, and seeking treatment for suspected abused child.

## Target Audience

All healthcare providers in both acute and primary care settings who care for children
